The legendary adventure game that inspired countless players is reborn! Based on the award-winning game design of Cygames Inc., the classic fantasy RPG, TARNISHED, is back! TARNISHED: The world changes with each new day. Your life, your decisions, will shape your destiny. Transformed by the power of magic, you can become someone new, stronger, faster. Earn new abilities and skills, and increase your renown. Combine up to six weapons or magic, and maximize your power as a Tarnished. Defy yourself and challenge your limits. Feast or Fight: Tarnished is an action RPG game that features both feast and fight! FEAST VERSUS FIGHT: FEAST: Travel around the world, interact with people, and find wealth and happiness. PLAY THE GAME. LIVE YOUR LIFE. FIGHT: Fight your way through opponents to gain experience and better weapons and armor. OPTIMIZE YOUR WEAPONS, ARMOR, AND MAGIC: Pick your weapons and armor, and upgrade your magic by selecting from a wide variety of classes. Create your own path by mixing, matching, and enhancing the items you have obtained. ENJOY A VAST WORLD: Play in a vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. CREATE YOUR OWN DYNAMIC CHARACTERS: In addition to customizing your appearance, you can freely combine the weapons, armor, and magic that you equip. PUT YOUR OWN STYLE ON THE GAME: You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. BE ENTERTAINED BY A POETICAL GRAPHIC NOVEL: A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. UNLOCK THE FULL STORY: Exclusive chapters may be unlocked via in-game achievements or purchases. \* For iOS device In some instances when using a Google Play account for an iOS device, if you attempt to sign in with the Google Play account you should use a personal Apple ID with password. \* For Android device Google Play account and Apple ID used for the game cannot be the same. \* Password for Google

I would like to count the number of objects that match the "ID" of a specific person and the "Content" of a specific item. I know it would look something like: var items = new List< new Group{ID = "1", Content = "item1"}, new Group{ID = "2", Content = "item2"}, new Group{ID = "3", Content = "item3"}, new Group{ID = "1", Content = "item4"}, new Group{ID = "2", Content = "item5"}, new Group{ID = "3", Content = "item6"}, } var countItem1 = items.Count(x => x.ID == 1 && x.Content == "item1"); But since I have the ID and Content I will never be able to use the Count(x => x.ID = 1); Any suggestion? A: This was the approach that worked for me: var countItem1 = items.GroupBy(x => x.ID).Where(x => x.Key == 1 && x.Count().Content == "item1").ToList().Count(); Identification and molecular characterization of the adiponectin gene from the striped snakehead, Channa striatus. Developer: Monolith Soft

Genre: Role-Playing

Platform: PC, Xbox 360, Playstation 3

**Monolith Soft just announced that the highly anticipated, original role-playing game, Xenoblade Chronicles®, is coming to North America on the Wii U. We are very excited about the game and we can hardly wait to get our hands on this unique game. Monolithsoft is a small company that focuses on the production of titles for the gaming industry and we've been working very hard on Xenoblade Chronicles. It is our first original game for Nintendo's Wii U console and we are proud to present the Xenoblade Chronicles demo with Nintendo. Here is a new translation and picture from the official site for the game.**

**ENJOY XENOBLADE CHRONICLES ON THE Wii U VIDEOGAME CONSOLE! Wii U ( )IGUIDE, PIN-tendo Wii-Kyoushi; Nintendo Wii-Guide, literally "Wii Remote guide") is a player-friendly gaming platform designed for game play on its own and with others, without the need of a TV set or separate game console. A remote controller (Wii U GamePad, Nintendo Wii U GamePad) is used to operate the system and display the screen. It also serves as a platform for downloadable content. The core of the system is an internal component called the Wii U-Framework ( )IGU IDORANKU (Wire- )) that combines the components of the Nintendo Entertainment System and GameCube into one complete unit, and has a similar form and function as a tablet. It offers a high-quality, first-of-a-kind home console that is easy to use, with no need for a TV set.**

**The Wii U-Framework is equipped with sensors to detect movement and changes in the body, including the vibrations caused by playing games and running applications. It reads and analyzes the activities of its user and processes them to become a new Wii U Tablet controller.**

**Other components of the system include an operating system and applications for entertainment usage, Internet access, and online features such as chatroom and multiplayer games. The applications and services that**
