Hundreds of years ago, the old west was brought to life in movies, books and TV, and now it's being brought to life in Grand Theft Auto V! Using the latest

advances in Rockstar's state-of-the-art San Francisco-based game engine, Grand Theft Auto V gives players total freedom to explore the sprawling streets, mountains, beaches and cities of the famous Western United States. Players are free to ride the rails, go skydiving, live large, die hard and embark on the ultimate Los Santos Touring Package (LSTP). This is the ultimate open-world playground with the freedom and exhilaration of real-world street racing and sky-high destruction. With Grand Theft Auto V, players can choose to play single-player or co-op with up to three other friends in drop-in, drop-out online mode. Packing a wide variety of highly replayable online modes, Grand Theft Auto V also features the largest and most breathtakingly detailed online world ever created in a game. With the new "Networked Play" feature, players on both the PS3 and PS4 versions of the game are able to seamlessly interact with other players across both platforms. As players explore the massive world of Los Santos and Blaine County online, they will find true freedom of movement: performing high-speed chases, evading the law, shooting rival gang members, jumping into the action, and much more.
