Snap Report: Looking for love in all the wrong places... Last night was not a good one for three-straight, as the boys lost to Morwell in an enjoyable junior A-grade competition, giving the team a deficit. As fans and coaches alike gather for the GWSN Football Friday Report, three boys return for your rundown. Francis Sweeney (1.5M/80kg/Wood in the forward line) Francis, who has had some rough breaks at the Suns with a few other injuries, is finally given a run down the ground. He has been a big part of the team this year but has not had enough opportunities. He bounced up to the 1/2-time and provided some positive and encouraging marking for his teammates, despite the loss. He is going to make his mark this year and will continue to develop and be able to adjust to the pace of the game. Liam Clancy (3.5M/85kg/Adidas Sprint in the midfield) Liam continues to improve in all aspects of his game and has also been able to contribute to the team. He has averaged close to a goal a game for the season. Liam is currently playing in the midfield with the team, who is a more comfortable position for him. He has a few big runs and has also been able to get in the forward line, providing some good service for the team. He will

continue to improve and is one to watch out for this year. Robert Cutts (1.5M/80kg/ACS Plicit in the back-line) Robert has been improving in all facets of his game this year, and has showed that with some impressive tackle and mark performances over the last few weeks. He has had a few setbacks with injuries over the season, and is one who needs to come back in good form and support his teammates as he was one of the leaders over the season. Elsewhere, it was another disappointing and hard-fought loss for the team against Morwell. The GWSN Football Friday Report will be in your inbox tomorrow.1. Field of the Invention The present invention relates to a process for producing alkyl (meth)acrylate.
